ABOUT DEFF WOOD

DEFF AHŞAP combines its expertise, experience, and academic background with evolving technology to deliver flawless custom-designed kitchens, bathrooms, and bespoke furniture to its clients.

With a specialized team, the company stands out in the industry through its woodwork applications for hotel, residential, and hospital projects.

Now managed by the third generation, DEFF AHŞAP is on its way to becoming a well-established and corporate brand. With its innovative approach, the company creates furniture projects that are not only functional but also stylish and aesthetically refined.

All products are manufactured in a 5,000 m² facility, in compliance with E1 environmental standards.

With the goal of becoming one of the leading companies in the industry within the next three years, DEFF AHŞAP continues to move forward with determination and vision.
